Delivery Instructions/Address: _____

*The Jiffy-7C tray codes have the following meaning (eg: tray 4080-49T-10H): the 1st digit 40 is the plug diameter in mm and the 2nd digit 80 is the height in mm, both when fully expanded. The 3rd digit 49T signifies the number of pellets in the tray and the 4th digit 10 is the diameter of the pre-drilled hole in mm. The letter H in a code signifies that the pellets have a pre-drilled hole.
